

THE MARRIAGE COURSE

for all couples

whether you've been married just one year or over thirty years.

"THE MARRIAGE COURSE"

designed by Nicky and Silia Lee of Holy Trinity Church, Brompton in London enables couples to build a strong and intimate marriage that will last a lifetime.

Is it only for churchgoers?

No, while it is based on Christian principles it is very suitable for any couple keen to develop skills to grow together and to deepen their intimacy with each other.

Will I have to share in a group?

No, while couples will be encouraged to talk to each other, your privacy as a couple will always be respected and you will not be required to divulge anything to others about your own marriage.

What if my marriage partner doesn't want to come?

The course is designed for couples, both of whom need to be prepared to work together to build their relationship. Many people who at first were reluctant have found the course not only beneficial but enjoyable. Come for the first week and give it a go no need to continue if it doesn't suit.
